## BODY TREATMENTS

### ***kapama wellness massage 60min***

*Still the most popular massage today. Swedish massage techniques leave the body relaxed and rested. Using lighter, rhythmic strokes, it improves poor circulation, relieves muscular tension and enhances feelings of relaxation and wellbeing*

### ***kapama deluxe aromatherapy massage 90min***

*This ancient discipline to improve health and wellbeing combines the therapeutic application of aromatic potions and a sensitive touch. The range of movements upon the skin, muscles and joints, ends with a sublime face and scalp massage. This treatment of mind, body and spirit, leaves you feeling healthy and relaxed*

### ***kapama sports massage 60min***

*This deep rhythmic pressure massage with specially blended massage oils, relieves specific areas of stress and muscle tension, and gives the whole body a vigorous workout. Leave feeling energized and free of your usual aches and pains*

### ***back, neck and shoulder massage 30min***

*This 30-minute massage irons out all the accumulated tension in the back, shoulders and neck. Combine it with a facial treatment and your tension melts away*

### ***scalp massage 30min***

*A scalp massage can bring immediate relief to mental and emotional stress. It also improves circulation in the head, enhances your senses, improves memory and promotes clear thinking*

## BODY TREATMENTS

### **head to toe african ritual 90min**

*The incarba full body massage is a holistic wellness treatment that instills a feeling of peace and tranquility. It helps protect you from outside pressures and stresses and maintain inner calm*

### **african rungu massage 60min**

*This exotic all new African massage is aimed at stress relief. Using the Rungu baton and deep stimulating movements, the massage helps to alleviate muscle aches and pains. This treatment will leave you feeling light and stress free!*

### **ear candling 45min**

*A gentle scalp, neck and face massage that promotes total relaxation. Special ear candles with different aromas are used. The flame of the lighted candle creates a vibration of air in the candle, generating a massage effect on the eardrum. The treatment result is a wonderful balance of pressure in the ears, forehead and sinuses. The ultimate treatment for "jetlag", ear- and headaches as well as sinus relief*

### **calabash massage 60min**

*An ancient African massage using various sizes of calabashes. This massage tool promotes circulation and lymph drainage, resulting in deeply relaxed muscles. Your need for relaxation and peacefulness will be completely satisfied*

## BODY TREATMENTS

### **royal rasul treatment 45min or 60min**

*Enjoy a soothing and extremely hydrating all over body treatment. Choose between a mud or body butter application. Heat dries the application, drawing out impurities from the body. Thereafter aromatic steam is released, softening the application so that the beneficial ingredients and natural minerals are absorbed by the body. A gentle shower then washes your skin in preparation of a wonderful body lotion application. The treatment not only purifies and hydrates the skin, but also relaxes the body and calms the mind*

### **hot stone therapy 60min or 90min**

*Smooth black river stones are heated up and used in a therapeutic deep tissue massage. When placed on specific Chakra points, the hot stones help to tap into the body's energy pathways to rest and relax you*

### **reflexology 45min**

*Points in your feet refer to all parts of your body, so take the weight off them for 45 minutes and let the therapist manipulate the pressure points and rebalance your energy levels*

### **mum-to-be nurturing massage 60min**

*A relaxing massage to pamper and prepare her for her newborn. Specially selected essential blends rich in omega oils are combined and used to maintain suppleness and skin tone. This relaxing massage will also relieve tension in the back and alleviate swelling in the hands and feet*

### **full body exfoliation 30min**

*Choose between a variety of salts to deep cleanse, polish and soften your skin to perfection. The application of a body lotion will leave the skin glowing and vibrant, replenished and flawless*

## VICHY SHOWER TREATMENTS

### **vichy shower exfoliation 2.5hrs**

After enjoying a deep cleansing exfoliation, the vichy shower will help stimulate the skin to promote new skin cells, as well as boost the immune system. A rejuvenating steam treatment will leave you feeling completely relaxed, whereafter a Head to Toe massage will end of your euphoric experience. Exfoliation, Vichy shower, Rasul, Tea/drink, Head to Toe massage

### **nourishing vichy shower experience 2.5hrs**

Applying a natural body wrap of your choice, will nourish the skin all over. The aromatic steam from the Rasul room will help the product to penetrate even deeper whereafter the Vichy shower will stimulate the touch receptors of your skin and heighten your senses. Your experience will be complete when feeling rejuvenated and energized after the Back, neck & shoulder massage. Wrap, Rasul, Vichy shower, Tea/drink, BNS massage
